Case No. 3:20-cv-00223-SLG

JOINT STATUS REPORT

This case involves a challenge to the August 2020 Coastal Plain Oil and Gas Leasing Program Record of Decision (“2020 ROD”), which was superseded by the December 2024 Coastal Plain Oil and Gas Leasing Program Record of Decision (“2024 ROD”) selecting Alternative D2 from the November 2024 Final Coastal Plain Oil and

Native Village of Venetie v. Burgum
JOINT STATUS REPORT

Case No. 3:20-cv-00223-SLG

1

Gas Leasing Program Supplemental Environmental Impact Statement (“SEIS”). The case has been stayed (along with three others challenging the 2020 ROD), with the Court most recently directing that the parties “file a joint status report on or before September 30, 2025, that addresses the issuance of a new Record of Decision, all relevant decision(s) made on the challenged leases, and proposed next steps in this case.” Order 12, Dkt. 117. Defendants now provide an additional update and request to continue the stay until October 31, 2025.

The Department of the Interior previously reported its intent, in response to Executive and Secretarial direction issued in 2025, to issue a new Record of Decision (“2025 ROD”) for the Coastal Plain Oil and Gas Leasing Program. *See id.* at 8. The 2025 ROD is under review within the Department, and the Department anticipates completing its review and publishing it to the Bureau of Land Management Eplanning website in the coming weeks.

Defendants therefore request that the Court maintain the current stay of proceedings pending a further joint status report to be filed not later than October 31, 2025, to identify proposed next steps for this case. Counsel have conferred, and no party objects to this request.

Respectfully submitted this 30th of September 2025.
